

POP20 Nonstop Snow White!

I drew the splash page with a fairy tale image. It's supposed to be the dwarfs sneaking candies into White King's sleep.

The new characters are here! I really love King and his followers! I'd like to see them back about a lot of things. Would love to. I personally enjoyed drawing this episode for a chance to dress up the characters differently.

Mamotte! Lollipop

POP20: Nonstop Snow White!

We are
different...

...the others.

Yes.

That's the
legendary
Pawar...
Pawar...

Pawar... and
the Pawarite
substance,
Pawar.

excuse
me!

Here
they
are.

You should
not judge
them by their
looks!

It's hard
to believe
they're that
powerful.

Looks
like an
ordinary
power and
a little bit
more.

With that
power,
we shall
succeed.

Yes,
that
time...

Once
it's been
awakened,
it will
unleash
its true
power!

That
Pawarite was
born just
recently.

You mean us?!

I'll help you out!

That's it!

I do it more together!

OK? What's this...?

We're free right now.

In that case, we'll help you out.

Yes, but we're short of people.

We're looking for some helpers here.

Oh, yeah, thanks for the business then.

It's do it, too. Right!

I know!

Okay, I'll make sure!

That's fine, but don't get too carried away!

Check their strength, then create a strategy.

Yes, King, do you want me to go?

Go the first thing we need to do is to catch those two.

Now, now, you should take it easy.

How about a drink?

I'm concerned.

Zero-kun,
look into
my eyes!

Yep.
No lines
here!

Whew!
Is that
line?

The Queen/Black Girl

The Prince (Zero)

I'm a
dwarf,
see.

King!
Why do I
dwarf?

King (Zero, Holo, and others)

Yes.
You
look so
cute!

Snow White (Forte)

Why do I
always
get this
kind of
role?

Spirit of the Mirror (Holo)

Sister (Go)

Hey!
You look
great!

Hey!
Look at
your
gorgeous!

Oh! Sina-
chant!

Mirror!
King in there!
I can see
your face!

It's more
romantic
that way!

Y-yes, what
happened
to this
script...?

Beh-hm.
Now that's
my mirror.
♡

Now let's
rehearse
our lines
together!

Everyone
looks great!

I don't
want
play a
dwarf!

Sinai...

Good job
on bringing
these Picas
together!

You did it,
Nad!

S-Yes,
my queen.

Mirror, mirror,
on the wall, who's
the fairest one
of all?

Ready
start!

Now I will
demonstrate
my magic
mirror.

PLEASE
BE SO...

W-WHAT A
BEAUTIFUL
PRINCESS.

Oh-oh, don't
place a
Pia!

Sinai,
What's
your
P-holic
about?

Wrong
dance!

Oh,
Prince!

T-You are
the P-fairness
of them all.

Oh, yes,
they're
doing
great.

Good
morning,
Mr. An
Lizard!

I do's
sneak my
fox
I'm so
nervous!

Wait,
you

Okay!

I've had
a lizard
And I'm
a dragon.
Again!

Sigh...

Mama.

Let's
do our
best.

Wow,
they're doing
something
interesting.

This may be my
last.

I'm really
going to
run you
through
the hell
now!

Okay.

No one is
prepared
for this
except
I am!

Oh, that
must be
her...

XXXXXXXXXXXX

Oh,
yes.

I have
pretty,
popular
girl!

She
looked
like
I did
before
I died!

I don't
like her.

I got
a good
idea.

But I don't know what I'd do to girls.

Don't worry. I won't harm you as long as you stay quiet.

Who are you...?

I'm nice as boy.

It's a magical note hoop.

Give me a note like this.

What are...?

Hi~

What did you say? Go the hell home...

Yes, my queen.

Now White, who lives with the darkness, is the fairest of them all.

I will rid myself of this girl once and for all!

Warrior, Warrior, on that wall, who is the fairest and of all!

It's like how you were supposed to go!

Go ahead!

With this poison apple...

What happened?

In this...the dressing room?

What did...

Isn't...

Masks

What that's hope!

We get scared at the close-up look of the faces.

How about that?

When you look at the mirror, it's bigger than you ever before.

How about that?

When you look at the mirror, it's bigger than you ever before.

How about that?

When you look at the mirror, it's bigger than you ever before.

It's not
